**HEMLOCK WOOLLY ADELGID QUARANTINE  
Compliance Agreement**

Agreement between the State of Vermont and \_\_\_\_\_ for movement of hemlock logs, lumber with bark, and chips from counties with known infestations of hemlock woolly adelgid to pre-approved sites within Vermont.

1. **Objective:** To continue the delivery of hemlock raw materials, while allowing control measures if hemlock woolly adelgid threatens an uninfested county.
2. **Responsibility:** The Hemlock Woolly Adelgid – Joint Quarantine No. 2, allows the shipment of hemlock logs, hemlock lumber with bark and chips from counties with known hemlock woolly adelgid infestations to pre-approved sites within Vermont where compliance agreements are in effect. This agreement supersedes any previous State of Vermont Hemlock Woolly Adelgid Quarantine Compliance Agreement.
3. **Agreement:** The State of Vermont agrees to allow \_\_\_\_\_, and its suppliers, to move hemlock logs, hemlock lumber with bark, and chips from infested counties to the premises located at: \_\_\_\_\_.

This agreement is to become effective on the date of signature, and will be renewed annually until conditions of pest risk are such that continuance is inappropriate.

4. **Special Requirements:**

- A. \_\_\_\_\_ will maintain records of all hemlock logs (including pulpwood) and chips delivered to the premises, including the town of origin and date received.
- B. Records will be kept on file for a minimum of five years and provided to State of Vermont representatives on request.
- C. State of Vermont representatives may go on the premises to check for the presence of hemlock woolly adelgid or hemlock host trees, accompanied by a representative of \_\_\_\_\_, if necessary for safety reasons.
- D. \_\_\_\_\_ will allow sanitary action against hemlock woolly adelgid, if it is found on the premises, including tree removal and/or pesticide treatment.
