

**Notice of Intent (NOI)**

for coverage under the **Pesticide General Permit (PGP)**  
 for discharges from the application of pesticides to waters  
 of the State of Vermont

Submission of this completed NOI constitutes notice that the Operator identified in Section B intends to be authorized to discharge pollutants to waters of the State, identified in Section C, under Vermont's Pesticide General Permit (PGP). Submission of this NOI constitutes notice that the party identified in Section B of this form has read, understands, and meets the eligibility conditions per Part 1 of the PGP; agrees to comply with all applicable terms and conditions of the permit; and understands that continued authorization under the PGP is contingent on maintaining eligibility for coverage. To be granted coverage, all information required on this form must be completed. Please read and ensure compliance with all permit conditions, including the requirement to prepare a Pesticide Discharge Management Plan (PDMP) prior to NOI submittal, except for applications made in response to a declared pest emergency situation, per Part 6 (defined in Appendix A) of the PGP.

**A. Notice of Intent Status**

1. Mark whether this is an original request for coverage under the PGP or if this is a change of information for a discharge already covered under the PGP. If this is a change of information, supply the NPDES permit tracking number for the discharge below.

Please submit this information in a supporting document.

3. Discharges to Water Quality Impaired Waters (See PGP Part 1.1.2.1) Operators are not eligible for coverage under this permit for any discharges from a pesticide application to waters of the State if the waters are identified as impaired by a substance that is either an active ingredient of the pesticide designated for use or is a degradate of such an active ingredient.

**Check one (provide supporting evidence for either on the location map):**

Waters are not impaired by any substance that is either an active ingredient of a pesticide to be discharged or a degradate of such an active ingredient.

Waters are on a current state list as being impaired by a substance which is either an active ingredient of a pesticide to be discharged or a degradate of such an active ingredient; however, evidence is attached documenting that the waters are no longer impaired.

**E. Public Notice Requirement**

A copy of this complete NOI will be provided to the municipal clerk for posting in the municipality in which the project is located in accordance with the PGP, Section 1.2.4. If the project and the related discharge(s) are located within different municipalities, then the completed NOI will be filed with the municipal clerks within each municipality. The municipal clerk shall post the completed NOI. A copy of this NOI will also be posted on DEC's webpage.

Information for the Municipal Clerk regarding posting instructions can be found on Page 3 of this NOI.
