

HAMILTON FALLS NATURAL AREA MASTER PLAN

Jamaica State Park

Alternative Scenarios Open House

Please join us for the first public meeting of the Hamilton Falls Natural Area Master Plan. The Open House will present three alternative scenarios that explore varying usage levels for the site. Come share your thoughts regarding existing conditions at the Falls and your ideas for improving access, natural resources, and safety for all visitors.

 **Thursday, July 18, 2024**

 **6:00 - 7:30 pm**

 **Windham Meeting House**
26 Harrington Road, Windham, VT 05359

 For comments or questions please contact Jeff Dube at jdube@vhb.com

We encourage all attendees to review the DRAFT Alternative Site Use Scenarios Report in advance of the meeting. A brief survey is included for those not able to attend the meeting or others wishing to provide additional feedback after the meeting. Survey responses and comments will be collected until August 18, 2024.
