

# We are seeking your input on the future of outdoor recreation in Vermont!

The Department of Forests, Parks, and Recreation and the Vermont Outdoor Recreation Economic Collaborative have drafted a Vision – **To Foster Healthy and Vibrant Communities Through Outdoor Recreation** – and Priority Actions using information gathered from a statewide public survey, 28 stakeholder focus groups, a survey of Vermont recreation providers and a day-long summit with outdoor recreation leaders.

**Now we'd like to hear from you! Please join us at one of our webinars or open houses!**
